

ORANGEMASK™ (OM)

HIGH TEMP PREMIUM PAPER MASKING TAPE

American® brand Orange Mask™ (OM) is a high performance masking tape developed to provide superior adhesion, UV resistance and high conformability. OM unwinds and applies smoothly and removes cleanly to deliver clean crisp paint lines. Specially formulated adhesives provide excellent adhesion to semi-permanent release agents, making it ideal for the marine and composites industries.

FEATURES & BENEFITS

- Sharp color separation on curves or straight lines; resists bleed through
- Exceptional cornering
- Clean removal
- Smooth to touch and easy to work with
- High temperature resistance
- Holds masking paper or films
- Excellent adhesion to backing when layered
- Conformable with controlled unwind
