

DURAKRAFT

ONE SIDE KRAFT PAPER, ONE SIDE BUBBLE

Durakraft laminate consists of a layer of 40 lb. Kraft paper laminated to 3/16" Durabubble. The kraft paper absorbs moisture, can be written on easily, and can be used to conceal the product being shipped. Durakraft provides superior burst strength, it withstands pressure and abuse, giving maximum product protection. The moisture absorbent layer enhances product protection preventing surface damage due to trapped condensation.

FEATURES & BENEFITS

- Withstands pressure with superior burst strength
- Tacky film surface prevents product from moving or sliding when packed during shipment
- Kraft laminate increases puncture and tear resistance
- Excellent air retention
- Moisture absorbent layer prevents surface damage due to trapped condensation
