CUSTOM PRINTED AIRSPACE FILM

Create any message you want with custom printed AirSpace™ film! Tell us what message you wish to convey and we'll design the artwork and send it back to you for revisions/approval. There are no additional charges for us to work with you on your design or plates to make the film. We can print on any of our standard pillow sizes, mil thicknesses and roll lengths.
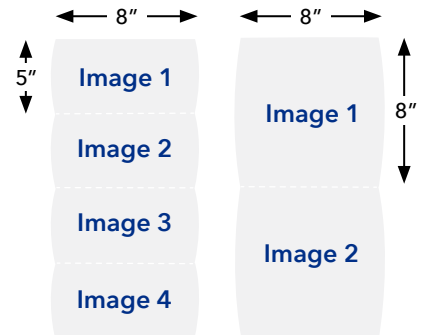

BASIC INFORMATION

- One-color print
- Prints available in almost any PMS color
- Film can be custom tinted (tints are transparent)
- Any standard pillow size can be custom printed
- Minimum order size:
  - 192 rolls: 4 pallets of 48 rolls per pallet
  - 180 rolls: 3 pallets of B60 rolls (check out the benefits of our B60 product, with 60 rolls per pallet
- Lead times typically 4 weeks after artwork approval
- We can print up to 4 different messages on the same roll of film. See chart below.
