

SMALL SOUND, BIG IMPACT

WHISPER SMOOTH®

- BOPP film with emulsion acrylic adhesive. Resists aging and weathering, good for all temperature applications.
- Create a peaceful workspace with reduced noise levels (helpful for late night packing or shared workspaces).
- Great for e-comm businesses, warehouses, distribution centers, shipping and packaging companies, fulfillment centers.

technical
data sheet.

*Re-introducing 130WS,
with a softer, quieter unwind.*

Minimizes noise disruption, for a more pleasant tape application.

Perfect for environments where a low noise level is needed.
