AIRSPACE BOD WINDER

USER FRIENDLY, SMALL FOOTPRINT, RELIABLE

The IPG® AirSpace Bubble-on-Demand Winder for coiling 12-inch-wide inflatable protective packaging is easy to use and adaptable to any packing environment. Single button quick-start and integration accessories provide end-users a cleaner, more organized pack area with improved ergonomics and safer use day-to-day.

FEATURES & BENEFITS

- Easy-to-use controls means less operator training required
- Casters are a standard feature, making transportation to the desired packing area easy
- Tight bubble roll design helps make moving bundles to desired location less cumbersome
- One step mandrel loading helps minimize downtime between bundle change overs
- Storage shelf for additional uninflated film rolls - reduce downtime between roll changes
- Automatic roll completion technology creates consistent bubble roll size from roll to roll

BUBBLE-ON-DEMAND (BOD) FILM

- Blended 1.57 mil film is multi-functional for wrapping needs, as well as blocking and bracing
- Film inflates to full 12" x 12" packaging pads
- AirSpace Bubble-On-Demand runs at 40 ft per minute for on-demand packaging
